Message from the President

The Royal Conservatory was founded in 1886 with the idea that a single institution could bind the people of a nation together with the common thread of shared musical experience. More than a century later, we continue to build and expand on this vision.

Today, The Royal Conservatory is recognized in communities throughout North America for outstanding service to students, teachers, and parents, as well as a strict adherence to high academic standards through a variety of activities—teaching, examining, publishing, research, and community outreach.

Our students and teachers benefit from a curriculum based on more than one hundred years of commitment to the highest pedagogical objectives. The strength of the curriculum is reinforced by the distinguished College of Examiners—a group of fine musicians and teachers carefully selected from across Canada, the United States, and abroad for their demonstrated skill and professionalism. A rigorous examiner apprenticeship program combined with regular evaluation procedures ensures consistency and an examination experience of the highest quality for candidates.

As you pursue your studies or teach others, you become not only an important partner with The Royal Conservatory in the development of creativity, discipline, and goal-setting, but also an active participant, experiencing the transcendent qualities of music itself. In a society where our day-to-day lives can become rote and routine, the human need to find self-fulfillment and to engage in creative activity has never been more necessary. The Conservatory will continue to be an active partner and supporter in your musical journey of self-expression and self-discovery.

Dr. Peter C. Simon
President

ARCT in Flute Performance

The ARCT in Performance Diploma is the culmination of the RCM Examinations examination system and is evaluated as a concert performance. Excellence in every aspect of performance is expected. Candidates should perform with confidence, communicating the essence of the music and demonstrating a command of the instrument and a detailed understanding of the stylistic and structural elements of each repertoire selection. Candidates must achieve an Honors standing (70 percent) in order to be awarded an ARCT in Performance Diploma.

The ARCT Examination

Please see “Co-requisites and Prerequisites” on p. 11, “Classification of Marks” on p. 72, and “Supplemental Examinations” on p. 74 for important details regarding the ARCT in Performance examination. The Teacher's ARCT and the ARCT in Performance examinations may not be attempted at the same session.

- Candidates who have passed the Teacher's ARCT examination and wish to obtain an ARCT in Performance diploma must take the entire ARCT in Performance examination.
- Candidates who have passed the ARCT in Performance examination and wish to obtain a Teacher's ARCT diploma will be exempt from the Repertoire and Orchestral Excerpts sections of the Teacher's ARCT Part 1: Practical Examination. The remaining sections of Part 1 (Studies, Ear Tests, and Sight Reading) and all of Part 2: *Viva Voce* Examination must be taken in a single session, within five years of the date of the ARCT in Performance practical examination.

PART 1: PERFORMANCE ASSESSMENT

Repertoire

Please see "Examination Repertoire" on p. 76 for important information regarding this section of the examination.

Candidates should be prepared to play *two* contrasting selections from the repertoire listed for the ARCT in Performance examination: selections must be chosen from different lists. Each bulleted item (●) represents one selection for examination purposes. The length of the performance must not exceed 30 minutes. The examiner may stop the performance if it exceeds the allotted time. At least one selection must be accompanied. *Please note that all selections requiring accompaniment must be played with accompaniment.*

Orchestral Excerpts

Candidates should be prepared to play *all* the orchestral excerpts listed for the ARCT in Performance examination.

Technical Requirements

Studies

Candidates should be prepared to play *one* selection from the studies listed for the Grade 10 examination.

There are no technical tests required for the Teacher's ARCT examination.

Ear Tests

Meter

Candidates will be asked to identify the time signature of a four-measure passage. The examiner will play each passage *once*.

Time signatures: **$\frac{2}{4}$ $\frac{3}{4}$ $\frac{6}{8}$ $\frac{9}{8}$**

Intervals

Candidates will be asked to identify the following intervals. The examiner will play each interval *once* in broken form on the piano.

or

Candidates may choose to sing or hum the following intervals. The examiner will play the first note *once* on the piano.

Above a Given Note	Below a Given Note
any interval within a major 9th	any interval within the octave

Chords

Candidates will be asked to identify the chords used in a four-measure phrase. The examiner will play the tonic chord *once* and the phrase *twice* at a slow to moderate tempo. During the second playing, the candidate will name each chord after it is played.

- The phrase will be in a major key and will begin with a tonic chord.
- The phrase may include chords built on the first, second, fourth, fifth, and sixth degrees of the scale.
- The final cadence may contain a cadential six-four chord and/or a dominant 7th chord.

Example only

Playback

Candidates will be asked to play back *both* parts of a two-part phrase of approximately three measures in a major key, either on their own instrument or on the piano. The examiner will name the key and play the tonic chord *once* on the piano. If flute is used for playback, the examiner will play the phrase twice on the piano, after which the candidate will play back the upper part. The examiner will then play the phrase *twice* more, and the candidate will play back the lower part. If piano is used for playback, the examiner will play the phrase *three* times consecutively after which the candidate will play back both parts together.

Sight Reading

Playing

Candidates will be asked to play *three* passages at sight:

- Two passages will be approximately equal in difficulty to Grade 9 repertoire.
- One passage will be a piece of simulated Grade 4 teaching repertoire. Candidates are expected to demonstrate musical features through articulate playing meant to inspire a Grade 4 student to learn this piece.

Clapping

Candidates will be asked to clap or tap the rhythm of a melody. A steady pace and rhythmic accentuation are expected.

Example only

PART 2: VIVA VOCE ASSESSMENT

- rhythm and meter
- vibrato

B: Applied Pedagogy

Teaching Repertoire

Candidates exhibit thorough and careful preparation and demonstrate some interpretive skills. Repertoire is presented with overall command and accuracy. There is awareness and general security in technical elements.

Examination Repertoire

The *Syllabus* lists the repertoire eligible for examinations. Information given for each item includes:

- the composer
- the larger work of which the selection is a part (where applicable)
- the title of the selection
- collections or anthologies in which the selection can be found (where applicable)
- performance directions (where applicable) indicating the section(s) or movement(s) of a work to be prepared
- the publisher of a suggested edition (where applicable)

Names of publishers are indicated by an assigned abbreviation. Please see p. 78 for a list of publishers and their respective abbreviations.

Da Capo Signs and Repeats

- When performing repertoire at an examination, *da capo* signs should be observed.
- Repeat signs should ordinarily be ignored. However, repeats in repertoire should be observed if indicated in a footnote below the music.

Memory

- Repertoire, studies, and orchestral excerpts need not be memorized and no extra marks will be awarded for memory.
- Technical Tests (scales and arpeggios) *must* be played from memory.

Syllabus Repertoire Lists

The Repertoire for each grade is divided into several lists, according to musical style or stylistic period.

Grade	List A	List B	List C	List D
Preparatory Grade 1	Rhythmic Repertoire	Lyrical Repertoire		
Grades 2–4	Baroque and Classical Repertoire	Romantic, 20th-, and 21st-century Repertoire		
Grades 5–10	Baroque and Classical Repertoire	Romantic, 20th-, and 21st-century Repertoire	Unaccompanied Repertoire	
ARCT	Concertos	Suites, Partitas, and Sonatas	Romantic, 20th-, and 21st-century Repertoire	20th- and 21st-century Unaccompanied Repertoire

Editions

For many repertoire selections, the *Syllabus* listing includes a suggested edition (indicated by an assigned publisher abbreviation). These editions have been chosen for their quality or for their availability in North America. When no publisher is indicated, students are encouraged to use the best edition available—the edition that most accurately reflects the composer's intentions.

Editorial markings vary from one edition to another. Examination marks will not be deducted for altering these editorial suggestions as long as the resulting change is musically and stylistically acceptable.

Availability

The Royal Conservatory Examinations has made every effort to ensure that most of the materials listed in this *Syllabus* are in print and easily available at leading music retailers throughout North America. If you experience difficulty in obtaining flute music in your community, then you may visit www.frederickharrismusic.com to find a listing of additional music retailers near you.

Anthologies and Collections

If a repertoire selection is published in a collection of a composer's music or in an anthology containing music by a number of composers, the title of the collection or anthology is usually included in the Syllabus listing. Individual selections may also be found in other sources. In order to save space, the words "volume" and "book" have usually been omitted; a number following a title indicates the number of the volume, book, or set number in which a selection can be found (for example, *Time Music for Flute*, 2).

Overtones®: A Comprehensive Flute Series

In order to ensure the ready availability of high-quality examination materials, The Frederick Harris Music Co., Limited has published *Overtones®: A Comprehensive Flute Series*. This series includes nine volumes of *Flute Repertoire* (Preparatory–Level 8) with compact discs; two volumes of *Flute Studies* (Preparatory–Level 4; Levels 5–8) with compact discs; one volume of *Flute Technique* (Preparatory–Level 10); and one volume of *Orchestral Excerpts* (Levels 2–ARCT).

Copyright and Photocopying

Federal and international copyright laws prohibit the use of photocopies without the permission of the publisher. The use of unauthorized photocopies for examination purposes constitutes copyright infringement as outlined in the Copyright Act. Additional information about federal copyright law is available online through the Copyright Board of Canada at www.cb-cda.gc.ca.

Candidates should bring all music to be performed to the examination. Candidates who wish to photocopy one page of a selection for the purpose of facilitating a page turn must do so with permission from the publisher.

With this notice, The Frederick Harris Music Co., Limited grants permission to festival, recital, and examination participants to photocopy single pages from their publications to facilitate a page turn.

Please note that photocopied music will not be permitted in the examination room. Candidates who bring unauthorized photocopies to the examination will not be examined.

Substitutions

As outlined in the chart below, candidates may make substitute Repertoire selections for their examination. If approval is required, candidates must submit an *Examination Substitute Piece Request* (available at examinations.rcmusic.ca) by the examination registration deadline. Candidates are advised to prepare an alternate work in case the request is denied.

Kinds of Repertoire Substitutions	Permitted in	Description of Substitute Selection	Prior Approval Required
Syllabus Substitutions	Grades 1–10 Any List	Must be chosen from the corresponding List of the next higher grade in the <i>Syllabus</i>	No
Non-Syllabus Substitutions	Grades 1–10, ARCT Any List	Must be of equal difficulty and musical quality to works listed in the <i>Syllabus</i> for that grade	Yes

Thematic Catalogs

Opus Numbers and Catalog Numbers

“Opus” (op.) is a term used with a number to designate the position of a given work in the chronological sequence of works by the composer. However, these numbers are often an unreliable guide, and may have been assigned by a publisher rather than the composer. Sometimes a single work will have conflicting opus numbers. Certain genres, such as operas and other vocal works, were not always assigned opus numbers. For these reasons, individual works by a number of composers are identified by numbers assigned in scholarly thematic catalogs. A number of the more important thematic catalogs are listed below.

Carl Philipp Emanuel Bach

Works by C.P.E. Bach are often identified by “Wq” and/or “H” (Helm) numbers (for example, *Morceaux divers pour clavecin*, Wq 117/39, H 98). Alfred Wotquenne (1867–1939) was a Belgian music bibliographer and author of *Thematisches Verzeichnis der Werke von Carl Philipp Emanuel Bach* (Leipzig, 1905, revised 1964). Eugene Helm is an American musicologist and author of *A Thematic Catalogue of the Works of C.P.E. Bach* (New Haven: Yale University Press, 1989).

Johann Sebastian Bach

Works by J.S. Bach are identified by “BWV” numbers (for example, *Allemande in G Minor*, BWV 836). “BWV” is the abbreviation for *Bach-Werke-Verzeichnis*, the short title of the *Thematisch-systematisches Verzeichnis der musikalischen Werke von Johann Sebastian Bach* (Leipzig, 1950), a thematic catalog of Bach’s complete works originally compiled by the German music librarian Wolfgang Schmieder.

George Frideric Handel

Works by Handel are identified by “HWV” numbers (for example, *Gavotte in G Major*, HWV 491). “HWV” is an abbreviation for *Händel Werke Verzeichnis*. The full title for this thematic catalog, compiled by Margaret and Walter Eisen, is *Händel-Handbuch, gleichzeitig Suppl. zu Hallische Händel-Ausgabe* (Kassel: Bärenreiter, 1978–1986).

Franz Joseph Haydn

Works by Haydn are identified by Hoboken numbers (for example, *Sonata in D Major*, Hob. XVI:37). Anthony van Hoboken was a Dutch musicologist. His thematic catalog, *Joseph Haydn: Thematisch-bibliographisches Werkverzeichnis* (Mainz: B. Schott, 1957–1971) divides Haydn’s works into a number of categories that are indicated by Roman numerals.

Wolfgang Amadeus Mozart

Works by Mozart are identified by “K” numbers (for example, Sonata in C Major, K 545). “K” stands for *Köchel Verzeichnis*, first published in 1862. Ludwig Ritter von Köchel (1800–1877) was an Austrian professor of botany who devoted his retirement years to collecting all the known works by Mozart. He created a chronological catalog in which these works are listed and numbered.

Georg Philipp Telemann

Works by Telemann are identified by “TWV” numbers (for example, Fantasia in D Minor, TWV 33:2). “TWV” is an abbreviation for *Telemann Werkverzeichnis*. This thematic catalog—*Thematischer-Systematisches Verzeichnis seiner Werke: Telemann Werkverzeichnis* (Kassel: Bärenreiter, 1984)—was compiled by Martin Ruhnke.

Antonio Vivaldi

Works by Vivaldi are identified by “RV” numbers and/or by “F” numbers. RV is an abbreviation for *Ryom Verzeichnis*. This thematic catalog of Vivaldi’s works—*Verzeichnis der Werke Antonio Vivaldis: kleine Ausgabe* (Leipzig: Deutscher Verlag für Musik, 1974, 2nd ed. 1979) was compiled by Peter Ryom. The F numbers were assigned by Antonio Fanna in *Opere strumentali di Antonio Vivaldi (1678–1741): catalogo numerico-tematico secondo la catalogazione Fanna* (Milan, 1986).

Anhang

Some catalog numbers include the prefix “Anh.” (for example, BWV Anh. 121). “Anh.” is an abbreviation for *Anhang*, a German word meaning appendix or supplement.

WoO

Some catalog numbers include the prefix “WoO” (for example, WoO 63). “WoO” is an abbreviation for *Werk ohne Opuszahl* (work without opus number). These numbers are used to designate works for which the composer did not assign an opus number.

Frequently Asked Questions

Practical Examinations

What is a practical examination?

A practical examination is a comprehensive evaluation of a candidate's current abilities during a performance before an examiner of repertoire, studies, technique, ear training, and sight reading for instruments, voice, or speech arts and drama.

How can I obtain permission to photocopy an out-of-print selection that I find in a library or receive from a teacher?

Contact the publisher to request permission to make an authorized photocopy. Contact information for most publishers can be found online or obtained from a music retailer. Some music retailers can obtain authorized photocopies through a special online service.

Can I photocopy a page of music to facilitate a page turn?

You may photocopy a single page once you have obtained permission from the publisher. With this notice, The Frederick Harris Music Co., Limited grants permission to festival, recital, and examination participants to photocopy single pages from their publications to facilitate a page turn.

How do I choose the best edition for a piece?

The best editions have minimal editorial markings. These editions, often called *Urtext*, are available from most music retailers. If you are unsure about the best edition, ask your music retailer for suggestions.

Should candidates follow repeat signs? *Da capo* markings?

Candidates should observe da capo markings at an examination performance. Repeat signs should usually be ignored; however, repeat signs should be observed if indicated in a footnote below the music.

Why are teachers and parents not allowed in the room during practical examinations?

Practical examinations provide a unique opportunity for candidates to perform in a highly focused, one-on-one environment, without distraction.

Where can I find recordings of examination repertoire?

Overtones®: A Comprehensive Flute Series includes compact discs containing the repertoire and studies from Preparatory to Grade 8, performed by prominent North American performing artists. Compact discs for each level are included with the purchase of each *Repertoire* and *Studies* book.

What do I do if I have an emergency situation on the day of my examination and I need to cancel?

Contact your Examination Center Representative listed on your Examination Schedule by phone *as soon as possible*.

Theory Co-requisites

What is a theory co-requisite?

A theory co-requisite is an examination that must be completed before or within five years of the practical examination if the candidate wishes to receive a certificate for the practical examination. Candidates are encouraged to begin theory studies as early as possible.

Do I have to take theory examinations if I don't need a flute examination certificate?

You may take a flute examination without fulfilling theory requirements. If you later decide that you would like to receive a certificate, you have five years from the date of the flute examination to fulfill the theory requirements.

Where can I find sample theory examination papers?

Official Examination Papers are published annually by The Frederick Harris Music Co., Limited to aid with examination preparation. Each book includes three examinations from the previous December, May, and August examination sessions plus an additional examination created for extra practice. Editions for three academic years are available at any given time and may be purchased from your local music retailer.

Practical Examination Day Checklist for Candidates

Before you Leave Home

- ___ Plan to arrive 15 minutes early.
- ___ Complete your Examination Program Form.
- ___ Bring original copies (flute part only) of all the music being performed in the examination.
- ___ Mark the pieces being performed with a paper clip or a “sticky note.”
- ___ Bring a music stand, as it is not guaranteed that one will be available.

Points to Remember

- Electronic devices, books, notes, bags, and coats must be left in the area designated by the presiding officer.
- Photo ID may be requested before candidates are admitted to the examination room.
- Parents, other family members, friends, and teachers must wait in the designated waiting area.
- Standing and listening outside the examination room door is prohibited.
- Recording devices are strictly prohibited in the examination room.
- Photocopied music is prohibited (unless authorized by the publisher).
- The performance of repertoire may be interrupted by the examiner. An interrupted performance does not indicate a poor performance.

What to Expect from a Flute Examination

- A friendly yet professional atmosphere.
- The undivided attention of an examiner.
- An objective assessment of your performance of repertoire, studies, orchestral excerpts, technique, ear training, and sight reading.
- The examiner’s written evaluation online within six weeks of the examination.

After the Examination

Access your examination marks and examiner comments through the “Examination Results” link on the The Royal Conservatory Examinations website (examinations.rcmusic.ca) approximately 6–8 weeks after the examination.
